

NOW IS A SAFE TIME TO SELL

We are able to conduct real estate business safely and effectively, adhering to CDC-recommended guidelines and precautions, to protect home sellers and buyers. We are committed to making your home-selling experience safe and worry-free during, and after, this pandemic.

AVERAGE SALES PRICE

Average sales price for single family homes is pacing to reach a three-year high in 2020, giving sellers the opportunity to earn top dollar for their homes despite the pandemic.

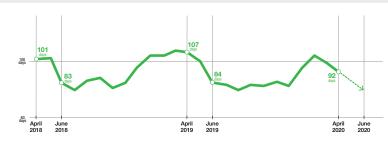

% LIST TO CLOSE PRICE

Sellers are closing on their home at more than 96% of listing price on average, often with multiple offers.

DAYS ON MARKET

We're entering the time of year when the average number of days a property is on the market is the lowest. Sellers listing their home now can sell it the fastest and potentially at the highest price possible.

THE PERFECT TIME

Between April and July is the perfect opportunity to get the most for your home in the shortest amount of time.
